

NBN: Tell me more about the NBN

There is so much that is new about the NBN that it is hard to know where to start.

The NBN in most cities and towns will change the way our homes and business connect to the world for both telephone calls and internet access.

The NBN is a long term national project and we are pleased to be part of it.

Please ask us your specific questions and we'll answer and post them here.
